

## YOU GAVE A PRICELESS GIFT

Hope Bible Project

**You did it!** In the previous edition of this newsletter we told you about our order of 30,000 copies of the HOPE Bible. We invited you to help us raise the \$115,500.00 needed for the purchase and shipping of these Bibles.

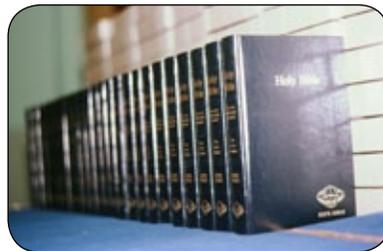

**And you responded generously so that by mid-June we had raised more than needed!**

**THANK YOU AND GOD BLESS YOU!**

You can't imagine the joy and rejoicing your gift will bring to the lives of those longing for a copy of the Scripture. You will never have the opportunity to receive their personal thanks, but your gift will make an eternal impact on them!

Remember, God has promised that His Word will not return to Him void (Isaiah 55:11). **Just imagine the lasting effect of these 30,000 copies of His Word!**

Thanks again for helping us meet this goal. *Now may the God of hope fill you with all joy and peace in believing, that you may abound in hope by the power of the Holy Spirit.* (Romans 15:13)

# RADIO LISTENERS RESPOND!

## Hope to Kenya

### SWAHILI-SPEAKING LISTENERS RESPOND

“Every time one feels like an outcast due to one’s mistakes or faults; **just remember there is hope because the Lord Jesus loves us and died on the cross for us** when we were still sinners; according to Romans 5:8. We thank Jesus for the grace of Salvation.”

“You do great and good work for the Kingdom, I thank God for you.”

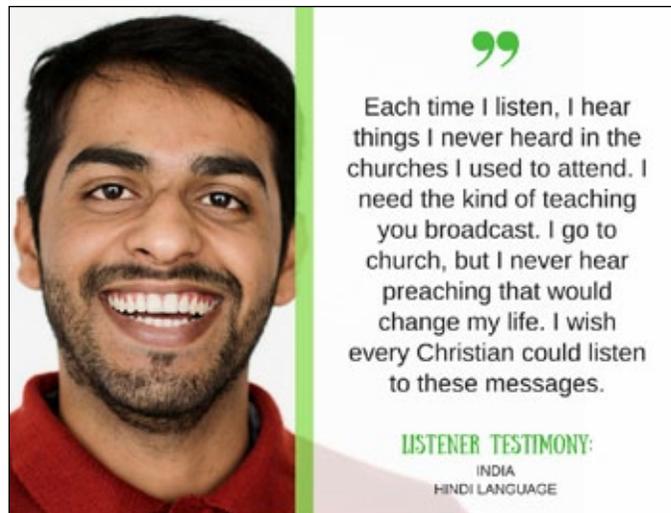

“Hello pastor. I listened to your preaching today and it blessed me. How can I know the Word of God and keep it in my heart? **I was brought up where we never attended church. I know nothing about God. Please help me.**”

## Hope to India

### HINDI-SPEAKING LISTENERS RESPOND

“I want to share my joy with you. Several months ago, I recorded a few messages of your radio program in my mobile phone and started to listen. This helped me go closer to the Lord and new things were revealed. **My spiritual life is growing, I am learning**

**to walk before God in reverence. I am very grateful to the Lord and all the people who recorded these messages and made them available.”** - *Manish Bharti*

“We started to listen to your Hindi radio program. The teachings the preacher illustrates are very easy to understand for a common man. The Lord Jesus has unlocked many things of the Bible to us through your program and has cleared lots of confusions from our minds.

We are very thankful to God for you and your radio programs.” - *A new believer*

“Five years back I was living a sinful life. Once, I got an opportunity to listen to a message on the radio in Hindi, and God revealed truth to me regarding Himself. **It seemed that the Almighty God was directly talking to me and pointing out my sins. My heart was filled with repentance. That very moment I surrendered my life to the Lord Jesus Christ.**

From that day, I started living a new and a changed life. I am grateful for who He is: the living God. I pray to be a useful instrument in His hands.” - *Mr. Alok Kumar*

## THE PRESIDENT'S VIEW

### JESUS, THE SON OF GOD

**W**hen Heralds of Hope was birthed by Dr. and Mrs. Yoder, one of the first actions was to form a Board of Directors. One of the first items of business for that Board was the formulation of a Statement of Faith, outlining the core beliefs of the organization. This foundational statement has, by God's grace and blessing, enabled Heralds of Hope to reach its 50th year of ministry.

In previous issue of the Hope Horizons, we highlighted Articles 1 through 3 from the Statement of Faith. In this issue we highlight Article 4.

**Article 4:** We believe that **Jesus Christ, the Son of God**, by a miracle was born of the Virgin Mary as her firstborn. By this, He was fully God and fully man. We believe He will perfect the complete reconciliation of all believers, and effect the universal restoration of all things by the following: His sinless earthly life, His atoning death on the cross by the shedding of His blood, His literal bodily resurrection from the dead, His confirming ascension to the right hand of God, His present day ministry of intercession for believers, and His personal return to earth.

Article 4 is based on the following Scriptures (NKJV):

Luke 1:31. *“And behold, you will conceive in your womb and bring forth a Son and shall call His name JESUS.”*

Philippians 2:6, 7: *“who, being in the form of God, did not consider it robbery to be equal with God, but made Himself of no reputation, taking the form of a bondservant, and coming in the likeness of men.”*

Hebrews 9:22: *“And according to the law almost all things are purified with blood, and without shedding of blood there is no remission.”*

HE ALONE IS WORTHY OF OUR WORSHIP, ADORATION, and PRAISE!

Sincerely in the HOPE of the Gospel,

J. Mark Horst, President  
HERALDS OF HOPE, INC.

## Stewardship

### GOD PROVIDES!

Enclosed with this newsletter, for your information, is our Annual Ministry and Financial Report for 2017.

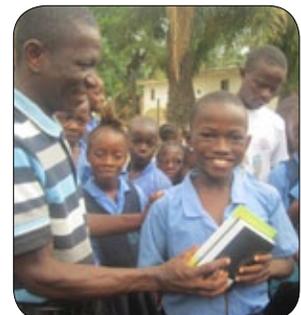

We praise God for the many opportunities to share His Word with millions of seekers in 15 languages around the world. **God is using the Bible-teaching broadcasts and the Bibles and literature distribution to eternally impact thousands of lives.**

This all was made possible by each one of you who prayed faithfully and gave generously.

As noted on the Financial Report our total expenses for the year were \$147,824 more than our income but that shortfall was covered by our Investment funds from previous years' Estate Gifts. If anyone has any questions or you would like to receive a copy of our Accountant's Audited Financial Statements please call my cell phone at 440-313-8408.

## DONORS SHARE THEIR STORIES

We asked, "What's your story? Why do you partner with Heralds of Hope?"

Thank you for your encouraging replies!

"During the years of 1990-1991, right after graduating from high school, I worked as a secretary at Heralds of Hope. I greatly enjoyed the many things I helped do there. During my time there God nurtured something in me that my parents had planted, the burden for lost souls to come to Christ. I began to realize that not all lives had been steeped in the knowledge of God's Word as mine had been through home, school, and church. There were people longing to hear more of God! The letters that came to HOH touched me greatly, and changed me.

In later years, God led me to a godly spouse who shares the burden to spread the Word. Together we feel called to use our resources for God's kingdom. When I think of the term "partnering," I get the mental picture of people pooling their various resources to go further than they could as individuals. I believe that we as believers have been blessed with such a variety of resources, and when we bring them together for God's work and His Kingdom, His plan will go farther than we could ever imagine. These resources can include talents, health, material blessings,

and time. Everyone is able to pray. Everyone can and should encourage those around them who are using their resources to glorify God. When we bring what God has given us, He is glorified and His Work moves forward. What a wonderful opportunity and blessing!"

"We are partners with HOH because David's parents were. J. Otis Yoder and J. Mark Horst were friends of the family and gave presentations at our church. Several times when J. Otis stayed at our house, he spontaneously prayed for us. We so enjoy the singing on the program and hearing the fruits of your labor."

## FEATURED PRODUCT

*Jesus Christ High Priest Forever* by J. Otis Yoder - \$7

What's Inside: Expositions of Hebrews - 168 pages

Hebrews is one book of the New Testament where there is little to indicate who the writer was. It is like an address given in the synagogue. It surely was written by the direction of God's Holy Spirit. His Spirit will direct our understanding of its deep truths. A careful reading of Hebrews reveals the main emphasis is the High Priesthood of Jesus.
