PRAYER AND FASTING DAY

FEBRUARY 4

Dear Praying Partners:

Habakkuk 2:4 tells us, "Behold, his soul which is lifted up is not upright in him: but the just shall live by his faith." Paul quotes this verse in Romans 1:17. A person cannot be just if he has no faith because he will walk only by sight and will not see life as God sees it.

To live without faith is impossible, in the natural or physical sense, as well as in the spiritual dimension. The Hebrew writer reminds us, "without faith it is impossible to please God."

We praise God that He has revealed Himself to us by faith. By that same faith we share His revelation, the Word, with people around the world via radio and literature. You demonstrate your faith by partnering with us. We thank you!

Read and meditate on Habakkuk 2. Then, join us to

Praise the Lord for:

- a living faith in Jesus Christ
- electronic media proclaiming HOPE
- letter responses from 180+ countries
- testimonies of faith by hearing
- reports of healing by faith

Ask the Lord to:

- multiply radio listeners worldwide
- build faith in radio listeners' lives
- increase your faith through trials
- plant the seed of faith in seeking hearts
- protect the faith of spiritual "babes"
