PRAYER AND FASTING DAY

AUGUST 5

Dear Praying Partners:

The verse printed on the front of this prayer guide reminds me of our brothers and sisters in China. Though persecution and suffering ebbs and flows around them, depending on the whims of government and local law enforcement, God's eye is upon them.

One of my memories from meeting Chinese Christians was the joy of the Lord expressed in their singing and on their faces. Despite the pressures they face, the radiance of their countenance reflected the joy of the Lord in their hearts. Truly they hope in His mercy!

On this prayer and fasting day we join our hearts and voices on behalf of our brothers and sisters in China.

Read and meditate on Psalm 33, then join us to

Magnify the Lord for:

- HOPE messages in Mandarin
- TWR's transmitters on Guam
- Growing radio audience in China
- Believers enduring persecution

Pray the Lord to:

- Raise up more men for leadership
- Strengthen those in prison for faith
- Help listeners become rooted in Him
- Give grace for faithful witness
- Enable Believers to be "wise as serpents and harmless as doves"
