

RECEIPT LETTERS

When you give, you will receive a thank-you letter and receipt like the one accompanying this brochure. You will also receive a self-addressed envelope you can use to make your next gift to the ministry. It allows you to designate your gift and also to share a personal note or prayer request with us.

Please retain your receipts if you plan to use them to ask for a tax deduction on your federal taxes.

MAILING LIST

We DO NOT automatically add you to our mailing list on receipt of your donation! If you wish to receive our newsletter, "Hope Horizons", and our Prayer Guide, you must request to be added to our mailing list. These publications are sent out approximately every six weeks or 8 times per year. They will assist you in praying intelligently and effectively for the work you are supporting with your giving.

To Our
First-Time Donors

WHO WE ARE

Thank you for your generous gift to Heralds of Hope. Since this is your first donation to this ministry, we want you to know who and what you're supporting! Founded in February of 1967, Heralds of Hope is an international Gospel radio and literature ministry, with offices and studio located near Breezewood, Pennsylvania. Our motto is "All the Word to All the World."

OUR VISION

To raise up followers of Christ who embrace the "all things" Jesus taught and are able to replicate that level of discipleship in others.

OUR MISSION

To fulfill the Great Commission of Jesus through the dissemination of careful, biblical exposition.

To Fulfill Our Vision And Mission we utilize international broadcasting, Bible and literature distribution, and partnership with indigenous ministries. We currently broadcast our Bible teaching programs nearly 400 times each week in English and 15 other major languages! By your faithful prayers and generous financial support, we are able to continue this life-changing work.

WAYS TO DESIGNATE YOUR GIFT...

International Radio Broadcasts

The major portion of our annual budget is spent on international radio broadcasting. Our broadcasts have a potential audience of millions of people each and every week. Not all of these broadcasts are fully sponsored, so you can contribute to the one(s) you wish to help sponsor. We are *currently* broadcasting in the following languages:

- Albanian** – Albania
- Amharic** - Ethiopia
- Arabic** – The Middle East, North Africa, Europe
- English** – North America, Africa, Asia, Europe
- French** – Quebec
- Guarani** – Paraguay
- Hausa** – Nigeria
- Hindi** – Northern India
- Korean** – North Korea
- Mandarin** – Mainland China
- Nepali** – Nepal
- Oromo** – Ethiopia
- Pashto** – Afghanistan, Pakistan, and Northern India
- Spanish** – Latin America
- Swahili** – Kenya
- Turkish** – Turkey

Bible Distribution

Each year thousands of HOPE Bibles are distributed (primarily in Africa) to those who would otherwise be unable to purchase one. Bibles are dropped shipped from the printer in Belarus to 5 African countries. We work with a network of local pastors to screen and fulfill the requests. **A gift of \$5 will provide enough funds for purchase and shipping of 1 Bible.** Requests for Bibles are always greater than our ability to fund them!

Literature Distribution

- Tracts, sermon booklets, and library boxes are in constant demand. Our 2 most requested tracts are "The Choice is Yours" and "Hope News." Both of these tracts are being printed in Kenya in English and Swahili, and also in Nepali in the Southeast Asian country of Nepal.
- Library boxes contain copies of most of our printed Bible-teaching scripts in paperback book form. Donations are used for printing & mailing.

General Fund

While the General Fund (GF) may not seem to be directly contributing to ministry, there would be no ministry without it! The GF pays to keep the lights on & the computers running. It purchases paper & other supplies used in daily operations of the headquarters. It provides for the maintenance of our building and grounds. It also pays the salaries/wages of Staff, all of whose compensation is below market value. Your gift will enable us to continue this worldwide ministry.
