

RABBIMIZGA HAMDU SANOLAR AYT*

Heralds of Hope joyfully announces the recent signing of agreements to air our Bible teaching broadcasts in three new languages to Central Asia! Those three languages are **Kazakh, Tajik, and Uzbek**. The three countries of Kazakhstan, Tajikistan, and Uzbekistan have a combined population of about 55 million people.

The people of the “stan” countries of Central Asia are predominately Sunni Muslim and are almost completely unreached with the Gospel!

We are excited to begin this new outreach but also sobered by the reality that we are treading on “ground” that Satan has had jurisdiction of for centuries. We anticipate he will not surrender control without a battle. Please join us in fervent prayer that

“...the God who commanded light to shine out of darkness, who has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ”

would also shine in the hearts of Muslim listeners.

Have you heard of Prayercast? Prayercast exists to activate world-changing prayer through mass media. They have a wonderful video that can inform and inspire your prayers for Central Asia. You can view it at; www.prayercast.com/central-asia.html

In addition to praying for Central Asians, we invite you to **follow along with this outreach through updates on our blog** at www.heraldssofhope.org. You can also stay up-to-date through joining us on Facebook and Instagram.

THE PRESIDENT'S VIEW IN EVERYTHING GIVE THANKS

Canadians celebrated their Thanksgiving Day on October 12. In the US, we observe the holiday on November 26th. One of the traditional things we associate with Thanksgiving is a turkey dinner with all the trimmings. To prepare all that good food, you need recipes. And each recipe calls for certain ingredients. I believe a spirit of thanksgiving (year-round) includes the following:

In 1 Thessalonians 5, we find the ingredient of **joy** is listed in verse 16, just prior to the command to give thanks. It says, "rejoice always." What if you don't *feel* joyful/ What do feelings have to do with joy? We think we must have a feeling of joy before we can really experience it. But joy is more than an emotion. Like love, it is an act of our will. It is a calm delight in God's working in our lives.

The ingredient of **dependence** is listed in verse 17: "pray without ceasing." We will never learn to obey this command if we don't recognize our total dependence on the goodness of God! And we will never be truly thankful people until we understand that all that we have comes from His hand! Lamentations 3:21-23 states, "*This I recall to my mind, therefore I have hope. Through the LORD'S mercies we are not consumed, because his compassions fail not. They are new every morning: great is thy faithfulness.*"

Last, but not least, is the ingredient of **obedience**. This is a command of Scripture! I know that doesn't sound logical, but God's knowledge and wisdom far surpass any human logic.

This third ingredient is very important if we are going to learn to be thankful people. The issue here is the Sovereignty of God. He is in all the circumstances and relationships of our lives wanting to accomplish the purpose for which He created us. Romans 8:28 tells us, "*And we know that all things work together for good to them that love God, to them who are the called according to His purpose.*"

We only have one Thanksgiving holiday per year, but I hope these ingredients will bring thanksgiving to be a daily reality in your heart and mine.

In the hope of the Gospel,
J. Mark Horst, President

YEAR-END GIVING

We invite you to consider these reminders for giving as we approach the end of 2020:

1. Any US tax filer, even without itemizing, can reduce your taxable income by up to \$300 for any charitable donation to a qualified organization like HOH.

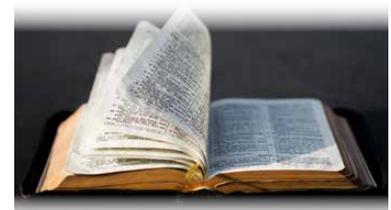

2. Anyone who has an IRA with a required minimum distribution, can have your IRA company send it directly to HOH and you avoid tax on the income--it's a qualified charitable distribution!

3. As you plan your Estate stewardship, consider making HOH a beneficiary of your IRA, 401(k), CD's, Gift Annuity, or any other deferred investments. Simply fill out the beneficiary form provided by your plan administrator, bank, or financial advisor. These gifts won't be subject to estate taxes.

Please contact your tax preparer with any questions on these opportunities. Thank you for your vital prayers and support!

Praise God with us:

1. For the encouraging response at 5 Strategic Partner breakfasts!

2. That **30,000 Hope Bibles** have shipped by container to ministry partners in Nigeria, Ghana, Kenya, and Malawi.

All for God's glory,
Bob Kauffman

RADIO LISTENERS RESPOND!

NEPAL : NEPALI LANGUAGE

Please join us in prayer for Nepali-speaking listeners!

“I am an elderly woman, in my family there are eight members, and my husband and I came to Christ. The others are still in the Hindu religion.

We came to Christ through His miracle work.

My husband suffered from an unknown disease, and he had been taken to so many hospitals, yet nothing worked. People told us to take him to the church. So, I took him to church, and God healed him.

We accepted God, **but we are illiterate persons, so we were told to listen the radio program to build up our faith.** So, we have been continually listening to the HOH program. Thank you so much!”

“The HOH program is my favorite since I have started to listen to it. The significant feature is that it helps me to grow in Christ and His spiritual nature. Even if we are just beginners of Christian journey, it would be best for us to get mature and developed in Christian knowledge. **So, I would prefer all people to listen to this program.**”

“I am not a Christian, yet this program lured me to listen. Its powerful rhythm and its authentic teaching and its moral lessons are very touching for me. So, **I am continually listening to the HOH program.** Thank you so much for broadcasting for us.”

“**In this time of quarantine, the HOH radio program is my friend.** I wait eagerly to catch it with delight in my heart. Thank you for giving us such a program in our life.”

Christian yet...**”

Sojourners in Faith | I & II Peter

by J. Otis Yoder | \$5

The Apostle Peter wrote to strengthen believers who would face persecution. He warns them not to depart from the faith. He admonishes them to hold fast. He instructs them to walk as children of light and truth. He encourages them (and us!) to be ready for the Lord's return.
