PRAYER AND FASTING DAY

February 7

Dear Praying Partners:

The verse on the front of this prayer guide is one that encourages me. The Psalmist is speaking about the created works of God known throughout the whole earth. But there is also an application to Gospel radio as well.

Each week, our *Hope for Today* (HFT) programs go out over the airwaves to a potential audience of millions. While these beams of light are unseen, they carry a message that brings a knowledge of the true Light into the darkest of human hearts.

Your partnership enables us to share the HOPE of the Gospel with many listeners. YOU MAKE A DIFFERENCE!

Read Psalm 19, then join us to

Magnify the Lord for:

- HFT to Asia, Africa, Europe, Americas
- radio reaching the masses
- gifting and enabling His servants
- defining and preparing the audience
- our studio facilities and equipment

Pray the Lord to:

- empower the messages
- bring joy and peace to listeners
- draw many to Jesus as Savior
- multiply radio signals and reception
- glorify His own great name
