## PRAYER AND FASTING DAY

August 2

### Dear Praying Partners:

Romans 10:17 informs us that “...faith comes by hearing and hearing by the Word of God.” God is using electronic communication in unprecedented ways to allow us to fulfill the Great Commission. We’ve received numerous letters from listeners who tell us their only source of spiritual nurture is the Gospel programming they receive.

In many parts of the world, radio reaches the unreached and the underreached. In the developed world, even in competition with the Internet, TV, and wireless technology, radio continues to command a large base of listeners. “Hearing” is bringing many to faith in Jesus Christ.

Meditate on Romans 10, then join us to

### Magnify the Lord for:

- radio waves carrying the Gospel
- technology that widens our reach
- multiple ways of media distribution
- changed lives of seekers
- partners who make ministry possible

### Pray the Lord to:

- prepare the hearts of seekers
- keep radio signals strong & clear
- bind the spirits that hinder belief
- nurture the faith of new Believers
- provide funds so we can fulfill requests
